Step 1: Define Your Ideal Client

Who are you trying to reach?

Who is your ideal client?

AGE	
GENDER	
JOB	
LOCATION	

What challenges or struggles do they face?

What do they hope to achieve by working with you?

Step 2: Choose Your Marketing Channels

Where will you share your message?

Select up to 3 marketing channels

SOCIAL MEDIA	
INSTAGRAM	
FACEBOOK	
LINKEDIN	
WEBSITE OR BLOG	
EMAIL NEWSLETTER	
NETWORKING	
LOCAL WORKSHOPS	
REFERRAL PARTNERSHIPS	

Step 3: Craft Your Key Message

What is your unique message to potential clients?

What makes you different from other therapists?

How do you want your clients to feel when they see your content?

Step 4: Set a Simple Action Plan

What will you do to reach your ideal client?

Pick 1 content action per month:

POST A SOCIAL MEDIA UPDATE	
WRITE A BLOG POST	
OFFER A FREE CONSULTATION OR WEBINAR	

Set a goal: EXAMPLE : " BOOK 2 NEW CLIENTS THIS MONTH "

Step 5: Track Your Results

How will you know if it's working?

Choose 1 way to track your progress:

NUMBER OF NEW CLIENT INQUIRIES		
SOCIAL MEDIA ENGAGEMENT		
LIKES		
COMMENTS		
SHARES		
WEBSITE TRAFFIC		
VISITS OR SIGN-UPS
